If you already are a BCSB Online Banking customer it's easy to activate eStatements.

1. Log into BCSB Online using your User ID and password.
2. Click on the "Statements" link on the left hand side.
3. Scroll to the bottom and click "Continue" after reading about the e-statement benefits.
4. Choose "Online" as the delivery method for any statement you wish to receive electronically.
5. Click in the box to place a checkmark indicating that you have read the required disclosure information.
6. Click the "Submit" button.
7. You should receive a confirmation notice that the setup was successfully completed.

All future statements on the accounts selected will be converted to e-statement delivery. Previous statements may be immediately available depending on your account cycle dates.
