

## **PRIME TIME GUEST POLICY**

Prime Time trips and events are very popular, and space is limited to our PRIME TIME Travel members and their guests.

**Each PRIME TIME Travel member may bring one non-Prime Time guest on any trip.** Because our travel program is a special added benefit for PRIME TIME Travel members, we must ensure that seats are readily available for them on our trips. This is why we cannot accommodate additional guests, in fairness to those who meet the deposit criteria of our Prime Time Travel program. Guest prices are also slightly higher than for PRIME TIME members. (If space becomes available closer to the date of the trip we may allow for more guests, at our discretion.)

We encourage those who travel as a PRIME TIME Travel member's guest to consider becoming a member of Prime Time Travel, to have the first opportunity to enjoy our trips at the lower member cost.
